THE DESIGNERS' ADVISOR

EXCLUSIVE EVENT INVITE

AN ESPRESSO SHOT OF INSPIRATION:  
MILAN DESIGN WEEK 2018

As the Designers' Advisor at Camberyard, I am thrilled to invite you to our first 'Designers' Retreat'. Where better to launch, I thought, than at Milan Design Week, the epicentre of design excellence.

Next spring, David Del Greco and I are offering each Camberyard Collective member the opportunity to receive a curated, guided tour of Salone del Mobile and Fuorisalone to discover the latest trends, new brands and most-awaited product launches. For those who have not been to the Milan Design Fair or are perhaps a bit daunted by the size of the offering, this is a unique opportunity to have a tailored, structured, yet relaxed introduction to it.

Founder of Contrasto and formerly Decorex's Business Development Manager, David has attended numerous international design shows over the last eight years and gained expert knowledge on Salone Del Mobile. As part of the package, David will put together a list of hand-picked exhibitors for you to visit following a one-to-one consultation. We will then personally guide you around the exhibition and events in the city.

Offered exclusively to Camberyard Collective members, there are a limited number of places, so please contact me if you want to find out more about our inaugural retreat.

We hope to see you there!
